

Become a Simply Great Britain Ambassador

We are rolling out a new Ambassador scheme to provide key local partners scattered throughout the UK as we grow our membership. Our Ambassadors are enthusiastic Simply Great Britain members who are happy to donate a little bit of time to host Meet Ups in their local area providing the human connection when Emily can't be there.

What do Simply Ambassadors do?

Simply Ambassadors help host Meet Ups in a local area and provide the link between HQ and small business owners around Britain. With the help of HQ, Ambassadors will play a key role by hosting regular Meet Ups to provide the connection, support & coffee that we all need.

What you need to know about the role.

Key to the role is an enthusiasm to bring people together to connect, support & share stories and wisdom within the small, micro, indie, freelance business community. Key strengths will include (these are not the limit!)

- A passion for Simply Great Britain and its mission to celebrate, support and connect.
- An open, warm and collaborative spirit
- The ability to facilitate and provide inspiration and support.
- Confidence to host a successful Meet Up

What we need you and expect you to do

- Share the values of Simply Great Britain
- Host a Meet Up once a month
- Engage with local small business owners
- Stay in touch and up to date with Simply HQ news, events & membership.
- Be up to date with resources and support available to members & clear about where to sign post those that need help or ideas.
